Boat shrink-wrap/tarps
Bubble-wrap
Diapers
Envelopes that are plastic or Tyvek®
Food (compost it)
Kitty litter
Knives
Light bulbs (any type; return CFLs to store)
Paper napkin/towels
Styrofoam® or polystyrene foam (even if marked #6)
Toys
Vinyl siding
Waxed paper / boxes

Know which Plastics to Recycle

With the exception of Styrofoam®, your plastic is recyclable if the answers to all three questions are YES:

1. Does it have a number (1-7) in the middle of the chasing arrows?
2. Is it rigid or hard? (However, large shopping bags *are* recyclable)
3. Is it a container?

No hazardous waste – ever!

Items categorized as “hazardous waste” must be disposed of carefully and cannot be included with your trash or with single-sort recycling. Such as:

- ✘ Ammunition
- ✘ Anti-freeze
- ✘ Button-cell batteries
- ✘ CFL light bulbs (compact fluorescent lights)
- ✘ Chemicals
- ✘ Computers & related parts
- ✘ Fertilizers
- ✘ Fluorescent bulbs (of any kind)
- ✘ Fuel (gasoline, diesel, kerosene)
- ✘ Mercury (in any amount)
- ✘ Oxygen tanks
- ✘ Paint thinner
- ✘ Pesticides
- ✘ Propane tanks
- ✘ Rechargeable batteries
- ✘ TVs

However, area transfer stations and recycling centers often offer programs to take this kind of waste.
